6 **2. (1) A digital driver's license issued under this section shall be acceptable for all**  
7 **purposes for which a license, as defined in section 302.010, is used.**

8 **(2) The department may contract with one or more entities to develop the secure**

11 **electronic image of the person's secure digital driver's license.**

12 **(3) The department shall suspend, disable, or terminate a person's participation in**  
13 **the secure digital driver's license program if:**

14 **(a) The person's driving privilege is suspended, revoked, denied, withdrawn, or**  
15 **cancelled as provided in chapter 302; or**

16 **(b) The person reports that the person's electronic device has been lost, stolen, or**  
17 **compromised.**

18 **3. The department of revenue may promulgate rules necessary to implement the**  
19 **provisions of this section. Any rule or portion of a rule, as that term is defined in section**  
20 **536.010, that is created under the authority delegated in this section shall become effective**  
21 **only if it complies with and is subject to all of the provisions of chapter 536 and, if**  
22 **applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of**  
23 **the powers vested with the general assembly pursuant to chapter 536 to review, to delay**  
24 **the effective date, or to disapprove and annul a rule are subsequently held**  
25 **unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted**  
26 **after August 28, 2020, shall be invalid and void.**

68.075. 1. This section shall be known and may be cited as the "Advanced Industrial  
2 Manufacturing Zones Act".

3 2. As used in this section, the following terms shall mean:

4 (1) "AIM zone", an area identified through a resolution passed by the port authority  
5 board of commissioners appointed under section 68.045 that is being developed or redeveloped  
6 for any purpose so long as any infrastructure and building built or improved is in the  
7 development area. The port authority board of commissioners shall file an annual report  
8 indicating the established AIM zones with the department of revenue;

9 (2) "County average wage", the average wage in each county as determined by the  
10 Missouri department of economic development for the most recently completed full calendar  
11 year. However, if the computed county average wage is above the statewide average wage, the

12 statewide average wage shall be deemed the county average wage for such county for the purpose  
13 of determining eligibility;

14 (3) "New job", the number of full-time employees located at the project facility that  
15 exceeds the project facility base employment less any decrease in the number of full-time  
16 employees at related facilities below the related facility base employment. No job that was  
17 created prior to the date of the notice of intent shall be deemed a new job. An employee that  
18 spends less than fifty percent of the employee's work time at the facility is still considered to be  
19 located at a facility if the employee receives his or her directions and control from that facility,  
20 is on the facility's payroll, one hundred percent of the employee's income from such employment  
21 is Missouri income, and the employee is paid at or above the county average wage;

22 (4) "Related facility", a facility operated by a company or a related company prior to the  
23 establishment of the AIM zone in question located within any port district, as defined under  
24 section 68.015, which is directly related to the operations of the facility within the new AIM  
25 zone.

26 3. Any port authority located in this state may establish an AIM zone. Such zone may  
27 only include the area within the port authority's jurisdiction, ownership, or control, and may  
28 include any such area. The port authority shall determine the boundaries for each AIM zone, and  
29 more than one AIM zone may exist within the port authority's jurisdiction or under the port  
30 authority's ownership or control, and may be expanded or contracted by resolution of the port  
31 authority board of commissioners.

32 4. Fifty percent of the state tax withholdings imposed by sections 143.191 to 143.265  
33 on new jobs within such zone after development or redevelopment has commenced shall not be  
34 remitted to the general revenue fund of the state of Missouri. Such moneys shall be deposited  
35 into the port authority AIM zone fund established under subsection 5 of this section for the  
36 purpose of continuing to expand, develop, and redevelop AIM zones identified by the port  
37 authority board of commissioners and may be used for managerial, engineering, legal, research,  
38 promotion, planning, satisfaction of bonds issued under section 68.040, and any other expenses.

39 5. There is hereby created in the state treasury the "Port Authority AIM Zone Fund",  
40 which shall consist of money collected under this section. The state treasurer shall be custodian  
41 of the fund and shall approve disbursements from the fund in accordance with sections 30.170  
42 and 30.180 to the port authorities from which the funds were collected, less the pro-rata portion  
43 appropriated by the general assembly to be used solely for the administration of this section  
44 which shall not exceed ten percent of the total amount collected within the zones of a port  
45 authority. Notwithstanding the provisions of section 33.080 to the contrary, any moneys  
46 remaining in the fund at the end of the biennium shall not revert to the credit of the general  
47 revenue fund. The state treasurer shall invest moneys in the fund in the same manner as other

48 funds are invested. Any interest and moneys earned on such investments shall be credited to the  
49 fund.

50 6. The port authority shall approve any projects that begin construction and disperse any  
51 money collected under this section. The port authority shall submit an annual budget for the  
52 funds to the department of economic development explaining how and when such money will  
53 be spent.

54 7. The provision of section 23.253 notwithstanding, no AIM zone may be established  
55 after August 28, [2023] **2030**. Any AIM zone created prior to that date shall continue to exist  
56 and be coterminous with the retirement of all debts incurred under subsection 4 of this section.  
57 No debts may be incurred or reauthorized using AIM zone revenue after August 28, [2023] **2030**.

136.055. 1. Any person who is selected or appointed by the state director of revenue as  
2 provided in subsection 2 of this section to act as an agent of the department of revenue, whose  
3 duties shall be the processing of motor vehicle title and registration transactions and the  
4 collection of sales and use taxes when required under sections 144.070 and 144.440, and who  
5 receives no salary from the department of revenue, shall be authorized to collect from the party  
6 requiring such services additional fees as compensation in full and for all services rendered on  
7 the following basis:

8 (1) For each motor vehicle or trailer registration issued, renewed or transferred, six  
9 dollars and twelve dollars for those licenses sold or biennially renewed pursuant to section  
10 301.147;

11 (2) For each application or transfer of title, six dollars;

12 (3) For each instruction permit, nondriver license, chauffeur's, operator's or driver's  
13 license issued for a period of three years or less, six dollars and twelve dollars for licenses or  
14 instruction permits issued or renewed for a period exceeding three years;

15 (4) For each notice of lien processed, six dollars;

16 (5) Notary fee or electronic transmission per processing, two dollars.

17 2. **(1)** The director of revenue shall award fee office contracts under this section through  
18 a competitive bidding process. The competitive bidding process shall give priority to  
19 organizations and entities that are ~~[exempt from taxation under Section 501(c)(3), 501(c)(6), or~~  
20 ~~501(c)(4), except those civic organizations that would be considered action organizations under~~  
21 ~~26 C.F.R. Section 1.501 (c)(3)-1(c)(3), of the Internal Revenue Code of 1986, as amended]~~  
22 **Missouri not-for-profit corporations**, with special consideration given to those organizations  
23 and entities that reinvest a minimum of seventy-five percent of the net proceeds to charitable  
24 organizations in Missouri, and political subdivisions, including but not limited to, municipalities,  
25 counties, and fire protection districts. The director of the department of revenue ~~[may]~~ **shall**  
26 promulgate rules and regulations necessary to carry out the provisions of this subsection. Any

27 rule or portion of a rule, as that term is defined in section 536.010, that is created under the  
28 authority delegated in this subsection shall become effective only if it complies with and is  
29 subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section  
30 and chapter 536 are nonseverable and if any of the powers vested with the general assembly  
31 pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule  
32 are subsequently held unconstitutional, then the grant of rulemaking authority and any rule  
33 proposed or adopted after August 28, 2009, shall be invalid and void.

34 **(2) Rules promulgated pursuant to subdivision (1) of this subsection for evaluating**  
35 **bids shall include a preference for persons and entities that are based in a location near the**  
36 **fee office location. If the department utilizes any scoring mechanism for evaluating bids**  
37 **pursuant to this section, such scoring mechanism shall ensure that:**

38 **(a) A person or entity based no more than thirty-five miles from the fee office**  
39 **location shall be awarded a bonus of fifteen percent of the total available points;**

40 **(b) A person or entity based more than thirty-five miles but no more than sixty**  
41 **miles from the fee office location shall be awarded a bonus of ten percent of the total**  
42 **available points;**

43 **(c) A person or entity that is a resident of this state shall be awarded a bonus of ten**  
44 **percent of the total available points. For the purposes of this paragraph, "resident" shall**  
45 **have the same meaning as defined pursuant to section 143.101. In the case of for-profit**  
46 **corporations, each person with an ownership interest in such organization with the right**  
47 **to manage the company or direct its operations either solely or as part of a larger group**  
48 **shall be a resident of this state; and**

49 **(d) A person or entity based more than sixty miles but no more than seventy-five**  
50 **miles from the fee office location shall be awarded a bonus of seven percent of the total**  
51 **available points.**

52 **(3) No fee office contract shall be awarded to any person or entity that is not in**  
53 **compliance with the rules promulgated pursuant to this subsection.**

54 **(4) The department of revenue shall not consider for a contract award any entity**  
55 **that has not been registered with the office of the secretary of state for at least one year.**

56 3. All fees collected by a tax-exempt organization may be retained and used by the  
57 organization.

58 4. All fees charged shall not exceed those in this section. The fees imposed by this  
59 section shall be collected by all permanent offices and all full-time or temporary offices  
60 maintained by the department of revenue.

61 5. Any person acting as agent of the department of revenue for the sale and issuance of  
62 registrations, licenses, and other documents related to motor vehicles shall have an insurable

63 interest in all license plates, licenses, tabs, forms and other documents held on behalf of the  
64 department.

65 6. The fees authorized by this section shall not be collected by motor vehicle dealers  
66 acting as agents of the department of revenue under section 32.095 or those motor vehicle dealers  
67 authorized to collect and remit sales tax under subsection 10 of section 144.070.

68 7. Notwithstanding any other provision of law to the contrary, the state auditor may audit  
69 all records maintained and established by the fee office in the same manner as the auditor may  
70 audit any agency of the state, and the department shall ensure that this audit requirement is a  
71 necessary condition for the award of all fee office contracts. No confidential records shall be  
72 divulged in such a way to reveal personally identifiable information.

137.115. 1. All other laws to the contrary notwithstanding, the assessor or the assessor's  
2 deputies in all counties of this state including the City of St. Louis shall annually make a list of  
3 all real and tangible personal property taxable in the assessor's city, county, town or district.  
4 Except as otherwise provided in subsection 3 of this section and section 137.078, the assessor  
5 shall annually assess all personal property at thirty-three and one-third percent of its true value  
6 in money as of January first of each calendar year. The assessor shall annually assess all real  
7 property, including any new construction and improvements to real property, and possessory  
8 interests in real property at the percent of its true value in money set in subsection 5 of this  
9 section. The true value in money of any possessory interest in real property in subclass (3),  
10 where such real property is on or lies within the ultimate airport boundary as shown by a federal  
11 airport layout plan, as defined by 14 CFR 151.5, of a commercial airport having a FAR Part 139  
12 certification and owned by a political subdivision, shall be the otherwise applicable true value  
13 in money of any such possessory interest in real property, less the total dollar amount of costs  
14 paid by a party, other than the political subdivision, towards any new construction or  
15 improvements on such real property completed after January 1, 2008, and which are included in  
16 the above-mentioned possessory interest, regardless of the year in which such costs were incurred  
17 or whether such costs were considered in any prior year. The assessor shall annually assess all  
18 real property in the following manner: new assessed values shall be determined as of January  
19 first of each odd-numbered year and shall be entered in the assessor's books; those same assessed  
20 values shall apply in the following even-numbered year, except for new construction and  
21 property improvements which shall be valued as though they had been completed as of January  
22 first of the preceding odd-numbered year. The assessor may call at the office, place of doing  
23 business, or residence of each person required by this chapter to list property, and require the  
24 person to make a correct statement of all taxable tangible personal property owned by the person  
25 or under his or her care, charge or management, taxable in the county. On or before January first  
26 of each even-numbered year, the assessor shall prepare and submit a two-year assessment

27 maintenance plan to the county governing body and the state tax commission for their respective  
28 approval or modification. The county governing body shall approve and forward such plan or  
29 its alternative to the plan to the state tax commission by February first. If the county governing  
30 body fails to forward the plan or its alternative to the plan to the state tax commission by  
31 February first, the assessor's plan shall be considered approved by the county governing body.  
32 If the state tax commission fails to approve a plan and if the state tax commission and the  
33 assessor and the governing body of the county involved are unable to resolve the differences, in  
34 order to receive state cost-share funds outlined in section 137.750, the county or the assessor  
35 shall petition the administrative hearing commission, by May first, to decide all matters in  
36 dispute regarding the assessment maintenance plan. Upon agreement of the parties, the matter  
37 may be stayed while the parties proceed with mediation or arbitration upon terms agreed to by  
38 the parties. The final decision of the administrative hearing commission shall be subject to  
39 judicial review in the circuit court of the county involved. In the event a valuation of subclass  
40 (1) real property within any county with a charter form of government, or within a city not within  
41 a county, is made by a computer, computer-assisted method or a computer program, the burden  
42 of proof, supported by clear, convincing and cogent evidence to sustain such valuation, shall be  
43 on the assessor at any hearing or appeal. In any such county, unless the assessor proves  
44 otherwise, there shall be a presumption that the assessment was made by a computer, computer-  
45 assisted method or a computer program. Such evidence shall include, but shall not be limited  
46 to, the following:

47 (1) The findings of the assessor based on an appraisal of the property by generally  
48 accepted appraisal techniques; and

49 (2) The purchase prices from sales of at least three comparable properties and the address  
50 or location thereof. As used in this subdivision, the word "comparable" means that:

51 (a) Such sale was closed at a date relevant to the property valuation; and

52 (b) Such properties are not more than one mile from the site of the disputed property,  
53 except where no similar properties exist within one mile of the disputed property, the nearest  
54 comparable property shall be used. Such property shall be within five hundred square feet in size  
55 of the disputed property, and resemble the disputed property in age, floor plan, number of rooms,  
56 and other relevant characteristics.

57 2. Assessors in each county of this state and the City of St. Louis may send personal  
58 property assessment forms through the mail.

59 3. The following items of personal property shall each constitute separate subclasses of  
60 tangible personal property and shall be assessed and valued for the purposes of taxation at the  
61 following percentages of their true value in money:

62 (1) Grain and other agricultural crops in an unmanufactured condition, one-half of one  
63 percent;

64 (2) Livestock, twelve percent;

65 (3) Farm machinery, twelve percent;

66 (4) Motor vehicles which are eligible for registration as and are registered as historic  
67 motor vehicles ~~[pursuant to]~~ **under** section 301.131 and aircraft which are at least twenty-five  
68 years old and which are used solely for noncommercial purposes and are operated less than ~~[fifty]~~  
69 **two hundred** hours per year or aircraft that are home built from a kit, five percent;

70 (5) Poultry, twelve percent; and

71 (6) Tools and equipment used for pollution control and tools and equipment used in  
72 retooling for the purpose of introducing new product lines or used for making improvements to  
73 existing products by any company which is located in a state enterprise zone and which is  
74 identified by any standard industrial classification number cited in subdivision (5) of section  
75 135.200, twenty-five percent.

76 4. The person listing the property shall enter a true and correct statement of the property,  
77 in a printed blank prepared for that purpose. The statement, after being filled out, shall be signed  
78 and either affirmed or sworn to as provided in section 137.155. The list shall then be delivered  
79 to the assessor.

80 5. (1) All subclasses of real property, as such subclasses are established in Section 4(b)  
81 of Article X of the Missouri Constitution and defined in section 137.016, shall be assessed at the  
82 following percentages of true value:

83 (a) For real property in subclass (1), nineteen percent;

84 (b) For real property in subclass (2), twelve percent; and

85 (c) For real property in subclass (3), thirty-two percent.

86 (2) A taxpayer may apply to the county assessor, or, if not located within a county, then  
87 the assessor of such city, for the reclassification of such taxpayer's real property if the use or  
88 purpose of such real property is changed after such property is assessed under the provisions of  
89 this chapter. If the assessor determines that such property shall be reclassified, he or she shall  
90 determine the assessment under this subsection based on the percentage of the tax year that such  
91 property was classified in each subclassification.

92 6. Manufactured homes, as defined in section 700.010, which are actually used as  
93 dwelling units shall be assessed at the same percentage of true value as residential real property  
94 for the purpose of taxation. The percentage of assessment of true value for such manufactured  
95 homes shall be the same as for residential real property. If the county collector cannot identify  
96 or find the manufactured home when attempting to attach the manufactured home for payment  
97 of taxes owed by the manufactured home owner, the county collector may request the county

98 commission to have the manufactured home removed from the tax books, and such request shall  
99 be granted within thirty days after the request is made; however, the removal from the tax books  
100 does not remove the tax lien on the manufactured home if it is later identified or found. For

102 community or on real estate not owned by the manufactured home owner shall be considered

31 shall be made with fully reflective material with a common color scheme and design, shall be  
32 clearly visible at night, and shall be aesthetically attractive, as prescribed by section 301.130.  
33 Local commercial motor vehicle license plates may also be so stamped, marked or designed as  
34 to indicate they are to be used only on local commercial motor vehicles and, in addition to such  
35 stamp, mark or design, the letter "F" shall also be displayed on local commercial motor vehicle  
36 license plates issued to motor vehicles used for farm or farming transportation operations as  
37 defined in section 301.010 in the manner prescribed by the advisory committee established in  
38 section 301.129. In addition, all commercial motor vehicle license plates may be so stamped or  
39 marked with a letter, figure or other emblem as to indicate the gross weight for which issued.

40 4. The director shall, upon application, issue registration and license plates for nine  
41 thousand pounds gross weight for property-carrying commercial motor vehicles referred to  
42 herein, upon payment of the fees prescribed for twelve thousand pounds gross weight as provided  
43 in section 301.057.

44 5. Notwithstanding any other provision of law to the contrary, any motorcycle or  
45 motortricycle registration issued by the Missouri department of revenue shall expire on June  
46 thirtieth.

301.032. 1. Notwithstanding the provisions of sections 301.030 and 301.035 to the  
2 contrary, the director of revenue shall establish a system of registration of all fleet vehicles  
3 owned or purchased by a fleet owner registered pursuant to this section. The director of revenue  
4 shall prescribe the forms for such fleet registration and the forms and procedures for the  
5 registration updates prescribed in this section. Any owner of ten or more motor vehicles which  
6 must be registered in accordance with this chapter may register as a fleet owner. All registered  
7 fleet owners may, at their option, register all motor vehicles included in the fleet on a calendar  
8 year or biennial basis pursuant to this section in lieu of the registration periods provided in  
9 sections 301.030, 301.035, and 301.147. The director shall issue an identification number to  
10 each registered owner of fleet vehicles.

11 2. All fleet vehicles included in the fleet of a registered fleet owner shall be registered  
12 during April of the corresponding year or on a prorated basis as provided in subsection 3 of this  
13 section. Fees of all vehicles in the fleet to be registered on a calendar year basis or on a biennial  
14 basis shall be payable not later than the last day of April of the corresponding year, with two  
15 years' fees due for biennially-registered vehicles. Notwithstanding the provisions of section  
16 307.355, an application for registration of a fleet vehicle must be accompanied by a certificate  
17 of inspection and approval issued no more than one hundred twenty days prior to the date of  
18 application. The fees for vehicles added to the fleet which must be licensed at the time of

19 registration shall be payable at the time of registration, except that when such vehicle is licensed  
20 between July first and September thirtieth the fee shall be three-fourths the annual fee, when  
21 licensed between October first and December thirty-first the fee shall be one-half the annual fee  
22 and when licensed on or after January first the fee shall be one-fourth the annual fee. When  
23 biennial registration is sought for vehicles added to a fleet, an additional year's annual fee will  
24 be added to the partial year's prorated fee.

25 3. At any time during the calendar year in which an owner of a fleet purchases or  
26 otherwise acquires a vehicle which is to be added to the fleet or transfers plates to a fleet vehicle,  
27 the owner shall present to the director of revenue the identification number as a fleet number and  
28 may register the vehicle for the partial year as provided in subsection 2 of this section. The fleet  
29 owner shall also be charged a transfer fee of two dollars for each vehicle so transferred pursuant  
30 to this subsection.

31 4. Except as specifically provided in this subsection, all fleet vehicles registered pursuant  
32 to this section shall be issued a special license plate which shall have the words "Fleet Vehicle"  
33 in place of the words "Show-Me State" in the manner prescribed by the advisory committee  
34 established in section 301.129. Alternatively, for a one-time additional five dollar per-vehicle  
35 fee beyond the regular registration fee, a fleet owner of at least fifty fleet vehicles may apply for  
36 fleet license plates bearing a company name or logo, the size and design thereof subject to  
37 approval by the director. All fleet license plates shall be made with fully reflective material with  
38 a common color scheme and design, shall be clearly visible at night, and shall be aesthetically  
39 attractive, as prescribed by section 301.130. Fleet vehicles shall be issued multiyear license  
40 plates as provided in this section which shall not require issuance of a renewal tab. Upon  
41 payment of appropriate registration fees, the director of revenue shall issue a registration  
42 certificate or other suitable evidence of payment of the annual or biennial fee, and such evidence  
43 of payment shall be carried at all times in the vehicle for which it is issued.

44 5. Notwithstanding the provisions of sections 307.350 to 307.390 to the contrary, a fleet  
45 vehicle registered in Missouri is exempt from the requirements of sections 307.350 to 307.390  
46 if at the time of the annual fleet registration, such fleet vehicle is situated outside the state of  
47 Missouri.

48 6. (1) Notwithstanding any other provisions of law to the contrary, any person, company,  
49 or corporation engaged in the business of renting or leasing three thousand five hundred or more  
50 motor vehicles which are to be used exclusively for rental or leasing purposes and not for resale  
51 that has applied to the director of revenue for authority to operate as a lease or rental company  
52 as prescribed in section 144.070 may operate as a registered fleet owner as prescribed in the  
53 provisions of this subsection to subsection 10 of this section.

54 (2) The director of revenue may issue license plates after presentment of an application,  
55 as designed by the director, and payment of an annual fee of three hundred sixty dollars for the  
56 first ten plates and thirty-six dollars for each additional plate. The payment and issuance of such  
57 plates shall be in lieu of registering each motor vehicle with the director as otherwise provided  
58 by law.

59 (3) **The registration fees for vehicles in the registered fleet owner's fleet shall be**  
60 **fully payable at the time such plates are ordered, except that when such plate is ordered**  
61 **after the first month of registration, the fees payable shall be prorated by the month the**  
62 **plates were ordered. When biennial registration is sought, an additional year's annual fee**  
63 **shall be added to the partial year's prorated fee.**

64 (4) Such motor vehicles within the fleet shall not be exempted from the safety inspection  
65 and emissions inspection provisions as prescribed in chapters 307 and 643, but notwithstanding  
66 the provisions of section 307.355, such inspections shall not be required to be presented to the  
67 director of revenue.

68 7. A recipient of a lease or rental company license issued by the director of revenue as  
69 prescribed in section 144.070 operating as a registered fleet owner under this section shall  
70 register such fleet with the director of revenue on an annual or biennial basis in lieu of the  
71 individual motor vehicle registration periods as prescribed in sections 301.030, 301.035, and  
72 301.147. If an applicant elects a biennial fleet registration, the annual fleet license plate fees  
73 prescribed in subdivision (1) of subsection 6 of this section shall be doubled. An agent fee as  
74 prescribed in subdivision (1) of subsection 1 of section 136.055 shall apply to the issuance of  
75 fleet registrations issued under subsections 6 to 10 of this section, and if a biennial fleet  
76 registration is elected, the agent fee shall be collected in an amount equal to the fee for two years.

77 8. Prior to the issuance of fleet license plates under subsections 6 to 10 of this section,  
78 the applicant shall provide proof of insurance as required under section 303.024 or 303.026.

79 9. The authority of a recipient of a lease or rental company license issued by the director  
80 of revenue as prescribed in section 144.070 to operate as a fleet owner as provided in this section  
81 shall expire on January first of the licensure period.

82 10. A lease or rental company operating fleet license plates issued under subsections 6  
83 to 10 of this section shall make available, upon request, to the director of revenue and all  
84 Missouri law enforcement agencies any corresponding vehicle and registration information that  
85 may be requested as prescribed by rule.

86 11. The director shall make all necessary rules and regulations for the administration of  
87 this section and shall design all necessary forms required by this section. Any rule or portion of  
88 a rule, as that term is defined in section 536.010, that is created under the authority delegated in  
89 this section shall become effective only if it complies with and is subject to all the provisions of

90 chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable  
91 and if any of the powers vested with the general assembly under chapter 536 to review, to delay  
92 the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then  
93 the grant of rulemaking authority and any rule proposed or adopted after August 28, 2019, shall  
94 be invalid and void.

301.451. (1) Any person who has been awarded the purple heart medal may apply for  
2 special motor vehicle license plates for any vehicle he or she owns, either solely or jointly, other  
3 than commercial vehicles weighing over twenty-four thousand pounds.

4 (2) Any such person shall make application for the special license plates on a form  
5 provided by the director of revenue and furnish such proof as a recipient of the purple heart  
6 medal as the director may require. The director shall then issue license plates bearing letters or  
7 numbers or a combination thereof, with the words "PURPLE HEART" in place of the words  
8 "SHOW-ME STATE" in a form prescribed by the advisory committee established in section  
9 301.129.

10 (3) Such license plates shall be made with fully reflective material with a common color  
11 scheme and design, shall be clearly visible at night, and shall be aesthetically attractive, as  
12 prescribed by section 301.130.

13 (4) There shall be no fee **charged for the first set of license plates issued to an eligible**  
14 **person under this section. A second or subsequent set of license plates issued to the eligible**  
15 **person under this section shall be subject to regular registration fees but not to any fee in**  
16 addition to regular registration fees [~~for the purple heart license plates issued to the applicant~~].

17 (5) There shall be no limit on the number of license plates any person qualified under  
18 this section may obtain so long as each set of license plates issued under this section is issued  
19 for vehicles owned solely or jointly by such person.

20 (6) License plates issued under the provisions of this section shall not be transferable to  
21 any other person, except that, **in the event of the death of the qualified person**, any registered  
22 co-owner of the motor vehicle shall be entitled to [~~operate the motor vehicle for the duration of~~  
23 ~~the year licensed in the event of the death of the qualified person~~] **use and renew the license**  
24 **plates until he or she remarries or, if he or she does not remarry, for the remainder of his**  
25 **or her life.**

301.560. 1. In addition to the application forms prescribed by the department, each  
2 applicant shall submit the following to the department:

3 (1) Every application other than a renewal application for a motor vehicle franchise  
4 dealer shall include a certification that the applicant has a bona fide established place of business.  
5 Such application shall include an annual certification that the applicant has a bona fide  
6 established place of business for the first three years and only for every other year thereafter. The

7 certification shall be performed by a uniformed member of the Missouri state highway patrol or  
8 authorized or designated employee stationed in the troop area in which the applicant's place of  
9 business is located; except that in counties of the first classification, certification may be  
10 performed by an officer of a metropolitan police department when the applicant's established  
11 place of business of distributing or selling motor vehicles or trailers is in the metropolitan area  
12 where the certifying metropolitan police officer is employed. When the application is being  
13 made for licensure as a boat manufacturer or boat dealer, certification shall be performed by a  
14 uniformed member of the Missouri state ~~[water]~~ **highway patrol or authorized or designated**  
15 **employee** stationed in the ~~[district area in which the applicant's place of business is located or~~  
16 ~~by a uniformed member of the Missouri state highway patrol stationed in the]~~ troop area in which  
17 the applicant's place of business is located or, if the applicant's place of business is located within  
18 the jurisdiction of a metropolitan police department in a first class county, by an officer of such  
19 metropolitan police department. A bona fide established place of business for any new motor  
20 vehicle franchise dealer, used motor vehicle dealer, boat dealer, powersport dealer, wholesale  
21 motor vehicle dealer, trailer dealer, or wholesale or public auction shall be a permanent enclosed  
22 building or structure, either owned in fee or leased and actually occupied as a place of business  
23 by the applicant for the selling, bartering, trading, servicing, or exchanging of motor vehicles,  
24 boats, personal watercraft, or trailers and wherein the public may contact the owner or operator  
25 at any reasonable time, and wherein shall be kept and maintained the books, records, files and  
26 other matters required and necessary to conduct the business. The applicant shall maintain a  
27 working telephone number during the entire registration year which will allow the public, the  
28 department, and law enforcement to contact the applicant during regular business hours. The  
29 applicant shall also maintain an email address during the entire registration year which may be  
30 used for official correspondence with the department. In order to qualify as a bona fide  
31 established place of business for all applicants licensed pursuant to this section there shall be an  
32 exterior sign displayed carrying the name of the business set forth in letters at least six inches in  
33 height and clearly visible to the public and there shall be an area or lot which shall not be a  
34 public street on which multiple vehicles, boats, personal watercraft, or trailers may be displayed.  
35 The sign shall contain the name of the dealership by which it is known to the public through  
36 advertising or otherwise, which need not be identical to the name appearing on the dealership's  
37 license so long as such name is registered as a fictitious name with the secretary of state, has  
38 been approved by its line-make manufacturer in writing in the case of a new motor vehicle  
39 franchise dealer and a copy of such fictitious name registration has been provided to the  
40 department. Dealers who sell only emergency vehicles as defined in section 301.550 are exempt  
41 from maintaining a bona fide place of business, including the related law enforcement  
42 certification requirements, and from meeting the minimum yearly sales;

43           (2) The initial application for licensure shall include a photograph, not to exceed eight  
44 inches by ten inches but no less than five inches by seven inches, showing the business building,  
45 lot, and sign. A new motor vehicle franchise dealer applicant who has purchased a currently  
46 licensed new motor vehicle franchised dealership shall be allowed to submit a photograph of the  
47 existing dealership building, lot and sign but shall be required to submit a new photograph upon  
48 the installation of the new dealership sign as required by sections 301.550 to 301.580.  
49 Applicants shall not be required to submit a photograph annually unless the business has moved  
50 from its previously licensed location, or unless the name of the business or address has changed,  
51 or unless the class of business has changed;

52           (3) Every applicant as a new motor vehicle franchise dealer, a used motor vehicle dealer,  
53 a powersport dealer, a wholesale motor vehicle dealer, trailer dealer, or boat dealer shall furnish  
54 with the application a corporate surety bond or an irrevocable letter of credit as defined in section  
55 400.5-102, issued by any state or federal financial institution in the penal sum of fifty thousand  
56 dollars on a form approved by the department. The bond or irrevocable letter of credit shall be  
57 conditioned upon the dealer complying with the provisions of the statutes applicable to new  
58 motor vehicle franchise dealers, used motor vehicle dealers, powersport dealers, wholesale motor  
59 vehicle dealers, trailer dealers, and boat dealers, and the bond shall be an indemnity for any loss  
60 sustained by reason of the acts of the person bonded when such acts constitute grounds for the  
61 suspension or revocation of the dealer's license. The bond shall be executed in the name of the  
62 state of Missouri for the benefit of all aggrieved parties or the irrevocable letter of credit shall  
63 name the state of Missouri as the beneficiary; except, that the aggregate liability of the surety or  
64 financial institution to the aggrieved parties shall, in no event, exceed the amount of the bond or  
65 irrevocable letter of credit. The proceeds of the bond or irrevocable letter of credit shall be paid  
66 upon receipt by the department of a final judgment from a Missouri court of competent  
67 jurisdiction against the principal and in favor of an aggrieved party. Additionally, every  
68 applicant as a new motor vehicle franchise dealer, a used motor vehicle dealer, a powersport  
69 dealer, a wholesale motor vehicle dealer, or boat dealer shall furnish with the application a copy  
70 of a current dealer garage policy bearing the policy number and name of the insurer and the  
71 insured;

72           (4) Payment of all necessary license fees as established by the department. In  
73 establishing the amount of the annual license fees, the department shall, as near as possible,  
74 produce sufficient total income to offset operational expenses of the department relating to the  
75 administration of sections 301.550 to 301.580. All fees payable pursuant to the provisions of  
76 sections 301.550 to 301.580, other than those fees collected for the issuance of dealer plates or  
77 certificates of number collected pursuant to subsection 6 of this section, shall be collected by the  
78 department for deposit in the state treasury to the credit of the "Motor Vehicle Commission

79 Fund", which is hereby created. The motor vehicle commission fund shall be administered by  
80 the Missouri department of revenue. The provisions of section 33.080 to the contrary  
81 notwithstanding, money in such fund shall not be transferred and placed to the credit of the  
82 general revenue fund until the amount in the motor vehicle commission fund at the end of the  
83 biennium exceeds two times the amount of the appropriation from such fund for the preceding  
84 fiscal year or, if the department requires permit renewal less frequently than yearly, then three  
85 times the appropriation from such fund for the preceding fiscal year. The amount, if any, in the  
86 fund which shall lapse is that amount in the fund which exceeds the multiple of the appropriation  
87 from such fund for the preceding fiscal year.

88 2. In the event a new vehicle manufacturer, boat manufacturer, motor vehicle dealer,  
89 wholesale motor vehicle dealer, boat dealer, powersport dealer, wholesale motor vehicle auction,  
90 trailer dealer, or a public motor vehicle auction submits an application for a license for a new  
91 business and the applicant has complied with all the provisions of this section, the department  
92 shall make a decision to grant or deny the license to the applicant within eight working hours  
93 after receipt of the dealer's application, notwithstanding any rule of the department.

94 3. Except as otherwise provided in subsection 6 of this section, upon the initial issuance  
95 of a license by the department, the department shall assign a distinctive dealer license number  
96 or certificate of number to the applicant and the department shall issue one number plate or  
97 certificate bearing the distinctive dealer license number or certificate of number and two  
98 additional number plates or certificates of number within eight working hours after presentment  
99 of the application and payment by the applicant of a fee of fifty dollars for the first plate or  
100 certificate and ten dollars and fifty cents for each additional plate or certificate. Upon renewal,  
101 the department shall issue the distinctive dealer license number or certificate of number as  
102 quickly as possible. The issuance of such distinctive dealer license number or certificate of  
103 number shall be in lieu of registering each motor vehicle, trailer, vessel or vessel trailer dealt  
104 with by a boat dealer, boat manufacturer, manufacturer, public motor vehicle auction, wholesale  
105 motor vehicle dealer, wholesale motor vehicle auction or new or used motor vehicle dealer. The  
106 license plates described in this section shall be made with fully reflective material with a  
107 common color scheme and design, shall be clearly visible at night, and shall be aesthetically  
108 attractive, as prescribed by section 301.130.

109 4. Notwithstanding any other provision of the law to the contrary, the department shall  
110 assign the following distinctive dealer license numbers to:

123 For purposes of this subsection, qualified transactions shall include the purchase of salvage titled  
124 vehicles by a licensed salvage dealer. A used motor vehicle dealer who also holds a salvage  
125 dealer's license shall be allowed one additional plate or certificate number per fifty-unit qualified  
126 transactions annually. In order for salvage dealers to obtain number plates or certificates under  
127 this section, dealers shall submit to the department of revenue on August first of each year a  
128 statement certifying, under penalty of perjury, the dealer's number of purchases during the  
129 reporting period of July first of the immediately preceding year to June thirtieth of the present  
130 year. The provisions of this subsection shall become effective on the date the director of the  
131 department of revenue begins to reissue new license plates under section 301.130, or on  
132 December 1, 2008, whichever occurs first. If the director of revenue begins reissuing new  
133 license plates under the authority granted under section 301.130 prior to December 1, 2008, the  
134 director of the department of revenue shall notify the revisor of statutes of such fact.

135 5. Upon the sale of a currently licensed motor vehicle dealership the department shall,  
136 upon request, authorize the new approved dealer applicant to retain the selling dealer's license  
137 number and shall cause the new dealer's records to indicate such transfer. If the new approved  
138 dealer applicant elects not to retain the selling dealer's license number, the department shall issue  
139 the new dealer applicant a new dealer's license number and an equal number of plates or  
140 certificates as the department had issued to the selling dealer.

141 6. In the case of motor vehicle dealers, the department shall issue one number plate  
142 bearing the distinctive dealer license number and may issue one additional number plate to the  
143 applicant upon payment by the dealer of a fifty dollar fee for the number plate bearing the  
144 distinctive dealer license number and ten dollars and fifty cents for the additional number plate.  
145 The department may issue a third plate to the motor vehicle dealer upon completion of the  
146 dealer's fifteenth qualified transaction and payment of a fee of ten dollars and fifty cents. In the  
147 case of new motor vehicle manufacturers, powersport dealers, recreational motor vehicle dealers,  
148 and trailer dealers, the department shall issue one number plate bearing the distinctive dealer  
149 license number and may issue two additional number plates to the applicant upon payment by  
150 the manufacturer or dealer of a fifty dollar fee for the number plate bearing the distinctive dealer

151 license number and ten dollars and fifty cents for each additional number plate. Boat dealers and  
152 boat manufacturers shall be entitled to one certificate of number bearing such number upon the  
153 payment of a fifty dollar fee. Additional number plates and as many additional certificates of  
154 number may be obtained upon payment of a fee of ten dollars and fifty cents for each additional  
155 plate or certificate. New motor vehicle manufacturers shall not be issued or possess more than  
156 three hundred forty-seven additional number plates or certificates of number annually. New and  
157 used motor vehicle dealers, powersport dealers, wholesale motor vehicle dealers, boat dealers,  
158 and trailer dealers are limited to one additional plate or certificate of number per ten-unit  
159 qualified transactions annually. New and used recreational motor vehicle dealers are limited to  
160 two additional plates or certificate of number per ten-unit qualified transactions annually for their  
161 first fifty transactions and one additional plate or certificate of number per ten-unit qualified  
162 transactions thereafter. An applicant seeking the issuance of an initial license shall indicate on  
163 his or her initial application the applicant's proposed annual number of sales in order for the  
164 director to issue the appropriate number of additional plates or certificates of number. A motor  
165 vehicle dealer, trailer dealer, boat dealer, powersport dealer, recreational motor vehicle dealer,  
166 motor vehicle manufacturer, boat manufacturer, or wholesale motor vehicle dealer obtaining a  
167 distinctive dealer license plate or certificate of number or additional license plate or additional  
168 certificate of number, throughout the calendar year, shall be required to pay a fee for such license  
169 plates or certificates of number computed on the basis of one-twelfth of the full fee prescribed  
170 for the original and duplicate number plates or certificates of number for such dealers' licenses,  
171 multiplied by the number of months remaining in the licensing period for which the dealer or  
172 manufacturers shall be required to be licensed. In the event of a renewing dealer, the fee due at  
173 the time of renewal shall not be prorated. Wholesale and public auctions shall be issued a  
174 certificate of dealer registration in lieu of a dealer number plate. In order for dealers to obtain  
175 number plates or certificates under this section, dealers shall submit to the department of revenue  
176 on August first of each year a statement certifying, under penalty of perjury, the dealer's number  
177 of sales during the reporting period of July first of the immediately preceding year to June  
178 thirtieth of the present year.

179         7. The plates issued pursuant to subsection 3 or 6 of this section may be displayed on any  
180 motor vehicle owned by a new motor vehicle manufacturer. The plates issued pursuant to  
181 subsection 3 or 6 of this section may be displayed on any motor vehicle or trailer owned and held  
182 for resale by a motor vehicle dealer for use by a customer who is test driving the motor vehicle,  
183 for use by any customer while the customer's vehicle is being serviced or repaired by the motor  
184 vehicle dealer, for use and display purposes during, but not limited to, parades, private events,  
185 charitable events, or for use by an employee or officer, but shall not be displayed on any motor  
186 vehicle or trailer hired or loaned to others or upon any regularly used service or wrecker vehicle.

187 Motor vehicle dealers may display their dealer plates on a tractor, truck or trailer to demonstrate  
188 a vehicle under a loaded condition. Trailer dealers may display their dealer license plates in like  
189 manner, except such plates may only be displayed on trailers owned and held for resale by the  
190 trailer dealer.

191 8. The certificates of number issued pursuant to subsection 3 or 6 of this section may be  
192 displayed on any vessel or vessel trailer owned and held for resale by a boat manufacturer or a  
193 boat dealer, and used by a customer who is test driving the vessel or vessel trailer, or is used by  
194 an employee or officer on a vessel or vessel trailer only, but shall not be displayed on any motor  
195 vehicle owned by a boat manufacturer, boat dealer, or trailer dealer, or vessel or vessel trailer  
196 hired or loaned to others or upon any regularly used service vessel or vessel trailer. Boat dealers  
197 and boat manufacturers may display their certificate of number on a vessel or vessel trailer when  
198 transporting a vessel or vessels to an exhibit or show.

199 9. If any law enforcement officer has probable cause to believe that any license plate or  
200 certificate of number issued under subsection 3 or 6 of this section is being misused in violation

141 536.010, that is created under the authority delegated in this section shall become effective only  
142 if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section  
143 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the  
144 general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove  
145 and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority  
146 and any rule proposed or adopted after August 28, 2017, shall be invalid and void.

147         11. Biometric data, digital images, source documents, and licensee signatures, or any

149 federal REAL ID Act of 2005 shall be digitally retained for no longer than the minimum duration  
150 required to maintain compliance, and immediately thereafter shall be securely destroyed so as  
151 to make them irretrievable.

152         12. No agency, department, or official of this state or of any political subdivision thereof  
153 shall use, collect, obtain, share, or retain radio frequency identification data from a REAL ID  
154 compliant driver's license or identification card issued by a state, nor use the same to uniquely  
155 identify any individual.

156         13. Notwithstanding any provision of law to the contrary, the department of revenue  
157 shall not amend procedures for applying for a driver's license or identification card, nor  
158 promulgate any rule or regulation, for purposes of complying with modifications made to the  
159 federal REAL ID Act of 2005 after August 28, 2017, imposing additional requirements on  
160 applications, document retention, or issuance of compliant licenses or cards, including any rules  
161 or regulations promulgated under the authority granted under the federal REAL ID Act of 2005,

163 Administrators for furtherance thereof.

164         14. If the federal REAL ID Act of 2005 is modified or repealed such that driver's licenses  
165 and identification cards issued by this state that are not compliant with the federal REAL ID Act  
166 of 2005 are once again sufficient for federal identification purposes, the department shall not  
167 issue a driver's license or identification card that complies with the federal REAL ID Act of 2005  
168 and shall securely destroy, within thirty days, any source documents retained by the department  
169 for the purpose of compliance with such Act.

7 the duration of any driver's license issued under this section. **Notwithstanding any other**  
8 **provision of law to the contrary, the director shall accept electronic versions of the**  
9 **documents required to verify Missouri residency.** An application for a license shall be made  
10 upon an approved form furnished by the director. Every application shall state the full name,  
11 Social Security number, age, height, weight, color of eyes, sex, residence, mailing address of the  
12 applicant, and the classification for which the applicant has been licensed, and, if so, when and  
13 by what state, and whether or not such license has ever been suspended, revoked, or disqualified,  
14 and, if revoked, suspended or disqualified, the date and reason for such suspension, revocation  
15 or disqualification and whether the applicant is making a one dollar donation to promote an  
16 organ donation program as prescribed in subsection 2 of this section. A driver's license,  
17 nondriver's license, or instruction permit issued under this chapter shall contain the applicant's  
18 legal name as it appears on a birth certificate or as legally changed through marriage or court  
19 order. No name change by common usage based on common law shall be permitted. The  
20 application shall also contain such information as the director may require to enable the director  
21 to determine the applicant's qualification for driving a motor vehicle; and shall state whether or  
22 not the applicant has been convicted in this or any other state for violating the laws of this or any  
23 other state or any ordinance of any municipality, relating to driving without a license, careless  
24 driving, or driving while intoxicated, or failing to stop after an accident and disclosing the  
25 applicant's identity, or driving a motor vehicle without the owner's consent. The application shall  
26 contain a certification by the applicant as to the truth of the facts stated therein. Every person  
27 who applies for a license to operate a motor vehicle who is less than twenty-one years of age  
28 shall be provided with educational materials relating to the hazards of driving while intoxicated,  
29 including information on penalties imposed by law for violation of the intoxication-related  
30 offenses of the state. Beginning January 1, 2001, if the applicant is less than eighteen years of  
31 age, the applicant must comply with all requirements for the issuance of an intermediate driver's  
32 license pursuant to section 302.178. For persons mobilized and deployed with the United States  
33 Armed Forces, an application under this subsection shall be considered satisfactory by the  
34 department of revenue if it is signed by a person who holds general power of attorney executed  
35 by the person deployed, provided the applicant meets all other requirements set by the director.

36 2. An applicant for a license may make a donation of one dollar to promote an organ  
37 donor program. The director of revenue shall collect the donations and deposit all such  
38 donations in the state treasury to the credit of the organ donor program fund established in

40 the purposes established in sections 194.297 to 194.304 except that the department of revenue  
41 shall retain no more than one percent for its administrative costs. The donation prescribed in this  
42 subsection is voluntary and may be refused by the applicant for the license at the time of issuance  
43 or renewal of the license. The director shall make available an informational booklet or other  
44 informational sources on the importance of organ and tissue donations to applicants for licensure  
45 as designed by the organ donation advisory committee established in sections 194.297 to  
46 194.304. The director shall inquire of each applicant at the time the licensee presents the  
47 completed application to the director whether the applicant is interested in making the one dollar  
48 donation prescribed in this subsection and whether the applicant is interested in inclusion in the  
49 organ donor registry and shall also specifically inform the licensee of the ability to consent to  
50 organ donation by placing a donor symbol sticker authorized and issued by the department of  
51 health and senior services on the back of his or her driver's license or identification card as  
52 prescribed by subdivision (1) of subsection 1 of section 194.225. A symbol may be placed on  
53 the front of the license or identification card indicating the applicant's desire to be listed in the  
54 registry at the applicant's request at the time of his or her application for a driver's license or  
55 identification card, or the applicant may instead request an organ donor sticker from the  
56 department of health and senior services by application on the department of health and senior  
57 services' website. Upon receipt of an organ donor sticker sent by the department of health and  
58 senior services, the applicant shall place the sticker on the back of his or her driver's license or  
59 identification card to indicate that he or she has made an anatomical gift. The director shall  
60 notify the department of health and senior services of information obtained from applicants who  
61 indicate to the director that they are interested in registry participation, and the department of  
62 health and senior services shall enter the complete name, address, date of birth, race, gender and  
63 a unique personal identifier in the registry established in subsection 1 of section 194.304.

64 3. An applicant for a license may make a donation of one dollar to promote a blindness  
65 education, screening and treatment program. The director of revenue shall collect the donations  
66 and deposit all such donations in the state treasury to the credit of the blindness education,  
67 screening and treatment program fund established in section 209.015. Moneys in the blindness  
68 education, screening and treatment program fund shall be used solely for the purposes  
69 established in section 209.015; except that the department of revenue shall retain no more than  
70 one percent for its administrative costs. The donation prescribed in this subsection is voluntary  
71 and may be refused by the applicant for the license at the time of issuance or renewal of the  
72 license. The director shall inquire of each applicant at the time the licensee presents the  
73 completed application to the director whether the applicant is interested in making the one dollar  
74 donation prescribed in this subsection.

75           4. Beginning July 1, 2005, the director shall deny the driving privilege of any person who  
76 commits fraud or deception during the examination process or who makes application for an  
77 instruction permit, driver's license, or nondriver's license which contains or is substantiated with  
78 false or fraudulent information or documentation, or who knowingly conceals a material fact or  
79 otherwise commits a fraud in any such application. The period of denial shall be one year from  
80 the effective date of the denial notice sent by the director. The denial shall become effective ten  
81 days after the date the denial notice is mailed to the person. The notice shall be mailed to the  
82 person at the last known address shown on the person's driving record. The notice shall be  
83 deemed received three days after mailing unless returned by the postal authorities. No such  
84 individual shall reapply for a driver's examination, instruction permit, driver's license, or  
85 nondriver's license until the period of denial is completed. No individual who is denied the  
86 driving privilege under this section shall be eligible for a limited driving privilege issued under  
87 section 302.309.

88           5. All appeals of denials under this section shall be made as required by section 302.311.

89           6. The period of limitation for criminal prosecution under this section shall be extended  
90 under subdivision (1) of subsection 3 of section 556.036.

91           7. The director may promulgate rules and regulations necessary to administer and enforce  
92 this section. No rule or portion of a rule promulgated pursuant to the authority of this section  
93 shall become effective unless it has been promulgated pursuant to chapter 536.

94           8. Notwithstanding any provision of this chapter that requires an applicant to provide  
95 proof of Missouri residency for renewal of a noncommercial driver's license, noncommercial  
96 instruction permit, or nondriver's license, an applicant who is sixty-five years and older and who  
97 was previously issued a Missouri noncommercial driver's license, noncommercial instruction  
98 permit, or Missouri nondriver's license is exempt from showing proof of Missouri residency.

99           9. Notwithstanding any provision of this chapter, for the renewal of a noncommercial

102 the department of revenue, including, but not limited to, United States military identification or  
103 United States military discharge papers, shall constitute sufficient proof of Missouri citizenship.

104           10. Notwithstanding any other provision of this chapter, if an applicant does not meet  
105 the requirements of subsection 8 of this section and does not have the required documents to  
106 prove Missouri residency, United States naturalization, or lawful immigration status, the  
107 department may issue a one-year driver's license renewal. This one-time renewal shall only be  
108 issued to an applicant who previously has held a Missouri noncommercial driver's license,  
109 noncommercial instruction permit, or nondriver's license for a period of fifteen years or more and  
110 who does not have the required documents to prove Missouri residency, United States

111 naturalization, or lawful immigration status. After the expiration of the one-year period, no  
112 further renewal shall be provided without the applicant producing proof of Missouri residency,  
113 United States naturalization, or lawful immigration status.

20 of purchasing. ~~[For all licenses issued or renewed after March 1, 1992, the applicant's Social

40 **by the guardian of such adult as appointed by a court of competent jurisdiction.**

41 **6. The director of the department of revenue may promulgate all necessary rules**  
42 **and regulations for the administration of this section. Any rule or portion of a rule, as that**  
43 **term is defined in section 536.010, that is created under the authority delegated in this**  
44 **section shall become effective only if it complies with and is subject to all of the provisions**  
45 **of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are**  
46 **nonseverable, and if any of the powers vested with the general assembly pursuant to**  
47 **chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are**  
48 **subsequently held unconstitutional, then the grant of rulemaking authority and any rule**  
49 **proposed or adopted after August 28, 2020, shall be invalid and void.**

304.170. 1. No vehicle operated upon the highways of this state shall have a width,  
2 including load, in excess of one hundred two inches, except clearance lights, rearview mirrors  
3 or other accessories required by federal, state or city law or regulation. Provided however, a  
4 recreational vehicle as defined in section 700.010 may exceed the foregoing width limits if the  
5 appurtenances on such recreational vehicle extend no further than the rearview mirrors. Such  
6 mirrors may only extend the distance necessary to provide the required field of view before the  
7 appurtenances were attached.

8 2. No vehicle operated upon the interstate highway system or upon any route designated  
9 by the state highways and transportation commission shall have a height, including load, in  
10 excess of fourteen feet. On all other highways, no vehicle shall have a height, including load,  
11 in excess of thirteen and one-half feet, except that any vehicle or combination of vehicles  
12 transporting automobiles or other motor vehicles may have a height, including load, of not more  
13 than fourteen feet.

14 3. No single motor vehicle operated upon the highways of this state shall have a length,  
15 including load, in excess of forty-five feet, except as otherwise provided in this section.

16 4. No bus, recreational motor vehicle or trackless trolley coach operated upon the  
17 highways of this state shall have a length in excess of forty-five feet, except that such vehicles  
18 may exceed the forty-five feet length when such excess length is caused by the projection of a

19 front safety bumper or a rear safety bumper or both. Such safety bumper shall not cause the  
20 length of the bus or recreational motor vehicle to exceed the forty-five feet length limit by more  
21 than one foot in the front and one foot in the rear. Notwithstanding any provision of this section  
22 to the contrary, an articulated bus, comprised of two or more sections connected by a flexible  
23 joint or other mechanism, may be up to sixty feet in length, not including safety bumpers which  
24 may extend one foot in front and one foot in the rear, and not including bicycle storage racks  
25 which may extend over the safety bumper by up to five feet when in the down position  
26 transporting a bicycle. The term "safety bumper" means any device which may be fitted on an  
27 existing bumper or which replaces the bumper and is so constructed, treated, or manufactured  
28 that it absorbs energy upon impact.

29         5. No combination of truck-tractor and semitrailer or truck-tractor equipped with  
30 dromedary and semitrailer operated upon the highways of this state shall have a length, including  
31 load, in excess of sixty feet; except that in order to comply with the provisions of P.L. 97-424  
32 codified in Title 23 of the United States Code, 23 U.S.C. Section 101, et al., as amended, no  
33 combination of truck-tractor and semitrailer or truck-tractor equipped with dromedary and  
34 semitrailer operated upon the interstate highway system of this state shall have an overall length,  
35 including load, in excess of the length of the truck-tractor plus the semitrailer or truck-tractor  
36 equipped with dromedary and semitrailer. The length of such semitrailer shall not exceed  
37 fifty-three feet.

38         6. In order to comply with the provisions of P.L. 97-424 codified in Title 23 of the  
39 United States Code, 23 U.S.C. Section 101, et al., as amended, no combination of truck-tractor,  
40 semitrailer and trailer operated upon the interstate highway system of this state shall have an  
41 overall length, including load, in excess of the length of the truck-tractor plus the semitrailer and  
42 trailer, neither of which semitrailer or trailer shall exceed twenty-eight feet in length, except that  
43 any existing semitrailer or trailer up to twenty-eight and one-half feet in length actually and  
44 lawfully operated on December 1, 1982, within a sixty-five foot overall length limit in any state,  
45 may continue to be operated upon the interstate highways of this state. On those primary  
46 highways not designated by the state highways and transportation commission as provided in  
47 subsection 11 of this section, no combination of truck-tractor, semitrailer and trailer shall have  
48 an overall length, including load, in excess of sixty-five feet; provided, however, the commission  
49 may designate additional routes for such sixty-five foot combinations.

50         7. (1) Automobile transporters, boat transporters, truck-trailer boat transporter  
51 combinations, and stinger-steered combination boat transporters having a length not in excess  
52 of seventy-five feet may be operated on the interstate highways of this state and such other  
53 highways as may be designated by the commission for the operation of such vehicles plus a  
54 distance not to exceed ten miles from such interstate or designated highway. All length

55 provisions regarding automobile or boat transporters, truck-trailer boat transporter combinations  
56 and stinger-steered combination boat transporters shall include a semitrailer length not to exceed  
57 fifty-three feet and are exclusive of front and rear overhang, which shall be no greater than a  
58 three-foot front overhang and no greater than a four-foot rear overhang.

59 (2) Stinger-steered combination automobile transporters having a length not in excess  
60 of eighty feet may be operated on the interstate highways of this state and such other highways  
61 as may be designated by the commission for the operation of such vehicles plus a distance not  
62 to exceed ten miles from such interstate or designated highway. All length provisions regarding  
63 stinger-steered automobile combination transporters are exclusive of front and rear overhang,  
64 which shall be no greater than a four-foot front overhang and no greater than a six-foot rear  
65 overhang.

66 (3) Automobile transporters may transport cargo or general freight on a backhaul, as long  
67 as in compliance with weight limitations for a truck-tractor and semitrailer combination as  
68 outlined in section 304.180.

69 8. Driveaway saddlemount combinations having a length not in excess of ninety-seven  
70 feet may be operated on the interstate highways of this state and such other highways as may be  
71 designated by the commission for the operation of such vehicles plus a distance not to exceed  
72 ten miles from such interstate or designated highway. Saddlemount combinations must comply  
73 with the safety requirements of Section 393.71 of Title 49 of the Code of Federal Regulations  
74 and may contain no more than three saddlemounted vehicles and one fullmount.

75 9. No truck-tractor semitrailer-semitrailer combination vehicles operated upon the  
76 interstate and designated primary highway system of this state shall have a semitrailer length in  
77 excess of twenty-eight feet or twenty-eight and one-half feet if the semitrailer was in actual and  
78 lawful operation in any state on December 1, 1982, operating in a truck-tractor  
79 semitrailer-semitrailer combination. The B-train assembly is excluded from the measurement  
80 of semitrailer length when used between the first and second semitrailer of a truck-tractor  
81 semitrailer-semitrailer combination, except that when there is no semitrailer mounted to the  
82 B-train assembly, it shall be included in the length measurement of the semitrailer.

83 10. No towaway trailer transporter combination vehicles operated upon the interstate and  
84 designated primary highway system of this state shall have an overall length of more than  
85 eighty-two feet.

86 11. The commission is authorized to designate routes on the state highway system other  
87 than the interstate system over which those combinations of vehicles of the lengths specified in  
88 subsections 5, 6, 7, 8, 9, and 10 of this section may be operated. Combinations of vehicles  
89 operated under the provisions of subsections 5, 6, 7, 8, 9, and 10 of this section may be operated

90 at a distance not to exceed ten miles from the interstate system and such routes as designated  
91 under the provisions of this subsection.

92 12. Except as provided in subsections 5, 6, 7, 8, 9, 10, and 11 of this section, no other  
93 combination of vehicles operated upon the primary or interstate highways of this state plus a  
94 distance of ten miles from a primary or interstate highway shall have an overall length, unladen  
95 or with load, in excess of sixty-five feet or in excess of fifty-five feet on any other highway.

96 13. (1) Except as hereinafter provided, these restrictions shall not apply to:

97 (a) Agricultural implements operating occasionally on the highways for short distances  
98 including tractor parades for fund-raising activities or special events, provided the tractors are  
99 driven by licensed drivers during daylight hours only and with the approval of the superintendent  
100 of the Missouri state highway patrol; ~~or to~~

101 (b) Self-propelled hay-hauling equipment or to implements of husbandry, or to the  
102 movement of farm products as defined in section 400.9-102 or to vehicles temporarily  
103 transporting agricultural implements or implements of husbandry or road-making machinery, or  
104 road materials or towing for repair purposes vehicles that have become disabled upon the  
105 highways; ~~or to~~

106 (c) **Vehicles towing trailers specifically designed to carry harvested cotton, either**  
107 **as a single trailer or in tandem, with a total length, including the trailer or trailers, of not**  
108 **more than ninety-three feet; such vehicles shall only be used to haul harvested cotton,**  
109 **except when hauling hay within the state to areas affected by drought as determined by the**  
110 **National Drought Mitigation Center; or**

111 (d) Implement dealers delivering or moving farm machinery for repairs on any state  
112 highway other than the interstate system.

113 (2) Implements of husbandry and vehicles transporting such machinery or equipment and  
114 the movement of farm products as defined in section 400.9-102 may be operated occasionally  
115 for short distances on state highways when operated between the hours of sunrise and sunset by  
116 a driver licensed as an operator or chauffeur.

117 (3) Notwithstanding any other provision of law to the contrary, agricultural machinery  
118 and implements may be operated on state highways between the hours of sunset and sunrise for  
119 agricultural purposes provided such vehicles are equipped with lighting meeting the requirements  
120 of section 307.115.

121 14. As used in this chapter the term "implements of husbandry" means all self-propelled  
122 machinery operated at speeds of less than thirty miles per hour, specifically designed for, or  
123 especially adapted to be capable of, incidental over-the-road and primary offroad usage and used  
124 exclusively for the application of commercial plant food materials or agricultural chemicals, and  
125 not specifically designed or intended for transportation of such chemicals and materials.

126 15. Sludge disposal units may be operated on all state highways other than the interstate  
 127 system. Such units shall not exceed one hundred thirty-eight inches in width and may be  
 128 equipped with over-width tires. Such units shall observe all axle weight limits. The commission  
 129 shall issue special permits for the movement of such disposal units and may by such permits  
 130 restrict the movements to specified routes, days and hours.

304.172. The provisions of sections 304.170 to 304.240 relating to height, width,  
 2 ~~[weight,]~~ **and** length ~~[and load]~~ restrictions for motor vehicles shall not apply to any motor  
 3 vehicle and its attached apparatus which is designed for use and used by a fire department, fire  
 4 protection district or volunteer fire protection association or when being operated by a fire  
 5 apparatus manufacturer or sales organization for the purpose of sale, demonstration, exhibit, or  
 6 delivery to a fire department, fire protection district or volunteer fire protection association.

304.180. 1. No vehicle or combination of vehicles shall be moved or operated on any  
 2 highway in this state having a greater weight than twenty thousand pounds on one axle, no  
 3 combination of vehicles operated by transporters of general freight over regular routes as defined  
 4 in section 390.020 shall be moved or operated on any highway of this state having a greater  
 5 weight than the vehicle manufacturer's rating on a steering axle with the maximum weight not  
 6 to exceed twelve thousand pounds on a steering axle, and no vehicle shall be moved or operated  
 7 on any state highway of this state having a greater weight than thirty-four thousand pounds on  
 8 any tandem axle; the term "tandem axle" shall mean a group of two or more axles, arranged one  
 9 behind another, the distance between the extremes of which is more than forty inches and not  
 10 more than ninety-six inches apart.

11 2. An "axle load" is defined as the total load transmitted to the road by all wheels whose  
 12 centers are included between two parallel transverse vertical planes forty inches apart, extending  
 13 across the full width of the vehicle.

14 3. Subject to the limit upon the weight imposed upon a highway of this state through any  
 15 one axle or on any tandem axle, the total gross weight with load imposed by any group of two  
 16 or more consecutive axles of any vehicle or combination of vehicles shall not exceed the  
 17 maximum load in pounds as set forth in the following table:

18

 20 to the nearest foot, except where indicated otherwise

79 Notwithstanding the above table, two consecutive sets of tandem axles may carry a gross load  
80 of thirty-four thousand pounds each if the overall distance between the first and last axles of such  
81 consecutive sets of tandem axles is thirty-six feet or more.

82 4. Whenever the state highways and transportation commission finds that any state  
83 highway bridge in the state is in such a condition that use of such bridge by vehicles of the  
84 weights specified in subsection 3 of this section will endanger the bridge, or the users of the  
85 bridge, the commission may establish maximum weight limits and speed limits for vehicles using  
86 such bridge. The governing body of any city or county may grant authority by act or ordinance  
87 to the commission to enact the limitations established in this section on those roadways within  
88 the purview of such city or county. Notice of the weight limits and speed limits established by  
89 the commission shall be given by posting signs at a conspicuous place at each end of any such  
90 bridge.

91 5. Nothing in this section shall be construed as permitting lawful axle loads, tandem axle  
92 loads or gross loads in excess of those permitted under the provisions of P.L. 97-424 codified  
93 in Title 23 of the United States Code (23 U.S.C. Section 101, et al.), as amended.

94 6. Notwithstanding the weight limitations contained in this section, any vehicle or  
95 combination of vehicles operating on highways other than the interstate highway system may  
96 exceed single axle, tandem axle and gross weight limitations in an amount not to exceed two

97 thousand pounds. However, total gross weight shall not exceed eighty thousand pounds, except  
98 as provided in subsections 9, 10, 12, and 13 of this section.

99           7. Notwithstanding any provision of this section to the contrary, the commission shall  
100 issue a single-use special permit, or upon request of the owner of the truck or equipment shall  
101 issue an annual permit, for the transporting of any crane or concrete pump truck or well-drillers'  
102 equipment. The commission shall set fees for the issuance of permits and parameters for the  
103 transport of cranes pursuant to this subsection. Notwithstanding the provisions of section  
104 301.133, cranes, concrete pump trucks, or well-drillers' equipment may be operated on state-  
105 maintained roads and highways at any time on any day.

106           8. Notwithstanding the provision of this section to the contrary, the maximum gross  
107 vehicle limit and axle weight limit for any vehicle or combination of vehicles equipped with an  
108 idle reduction technology may be increased by a quantity necessary to compensate for the  
109 additional weight of the idle reduction system as provided for in 23 U.S.C. Section 127, as  
110 amended. In no case shall the additional weight increase allowed by this subsection be greater  
111 than five hundred fifty pounds. Upon request by an appropriate law enforcement officer, the  
112 vehicle operator shall provide proof that the idle reduction technology is fully functional at all  
113 times and that the gross weight increase is not used for any purpose other than for the use of idle  
114 reduction technology.

115           9. Notwithstanding any provision of this section or any other law to the contrary, the  
116 total gross weight of any vehicle or combination of vehicles hauling milk, from a farm to a  
117 processing facility or livestock may be as much as, but shall not exceed, eighty-five thousand  
118 five hundred pounds while operating on highways other than the interstate highway system. The  
119 provisions of this subsection shall not apply to vehicles operated and operating on the Dwight  
120 D. Eisenhower System of Interstate and Defense Highways.

121           10. Notwithstanding any provision of this section or any other law to the contrary, any  
122 vehicle or combination of vehicles hauling grain or grain coproducts during times of harvest may  
123 be as much as, but not exceeding, ten percent over the maximum weight limitation allowable  
124 under subsection 3 of this section while operating on highways other than the interstate highway  
125 system. The provisions of this subsection shall not apply to vehicles operated and operating on  
126 the Dwight D. Eisenhower System of Interstate and Defense Highways.

127           11. Notwithstanding any provision of this section or any other law to the contrary, the  
128 commission shall issue emergency utility response permits for the transporting of utility wires  
129 or cables, poles, and equipment needed for repair work immediately following a disaster where  
130 utility service has been disrupted. Under exigent circumstances, verbal approval of such  
131 operation may be made either by the department of transportation motor carrier compliance  
132 supervisor or other designated motor carrier services representative. Utility vehicles and

133 equipment used to assist utility companies granted special permits under this subsection may be  
134 operated and transported on state-maintained roads and highways at any time on any day. The  
135 commission shall promulgate all necessary rules and regulations for the administration of this  
136 section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created  
137 under the authority delegated in this section shall become effective only if it complies with and  
138 is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section  
139 and chapter 536 are nonseverable and if any of the powers vested with the general assembly  
140 pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule  
141 are subsequently held unconstitutional, then the grant of rulemaking authority and any rule  
142 proposed or adopted after August 28, 2014, shall be invalid and void.

143 12. Notwithstanding any provision of this section to the contrary, emergency vehicles  
144 designed to be used under emergency conditions to transport personnel and equipment and to  
145 **support the suppression of fires and** mitigate hazardous situations may have a maximum gross  
146 vehicle weight of eighty-six thousand pounds inclusive of twenty-four thousand pounds on a  
147 single steering axle; thirty-three thousand five hundred pounds on a single drive axle; sixty-two  
148 thousand pounds on a tandem axle; or fifty-two thousand pounds on a tandem rear-drive steer  
149 axle; **except that, such emergency vehicles shall only operate on the Dwight D. Eisenhower**  
150 **National System of Interstate and Defense Highways.**

151 13. Notwithstanding any provision of this section to the contrary, a vehicle operated by  
152 an engine fueled primarily by natural gas may operate upon the public highways of this state in  
153 excess of the vehicle weight limits set forth in this section by an amount that is equal to the  
154 difference between the weight of the vehicle attributable to the natural gas tank and fueling  
155 system carried by that vehicle and the weight of a comparable diesel tank and fueling system.  
156 In no event shall the maximum gross vehicle weight of the vehicle operating with a natural gas  
157 engine exceed eighty-two thousand pounds.

**305.800. As used in sections 305.800 to 305.810, the following terms mean:**

2 (1) "Abandoned aircraft", an aircraft left in a wrecked, inoperative, or partially  
3 dismantled condition at an airport; or an aircraft that has remained in an idle state at an  
4 airport for forty-five consecutive calendar days without a contractual agreement between  
5 the owner or operator of the aircraft and the airport for use of the airport premises;

6 (2) "Airport superintendent", the person or group of people authorized to make  
7 decisions on behalf of an airport;

8 (3) "Derelict aircraft", any aircraft that is not in a flyable condition, does not have  
9 a current certificate of airworthiness issued by the Federal Aviation Administration, and  
10 is not in the process of actively being repaired.
